It is RVC policy to set and review tuition fees on an annual basis. The fees indicated above are for the first year of tuition only and may be subject to increase in future. Should it be necessary to increase these costs, you will be consulted and notice to the and by how much.

We publish a tuition fee policy annually on our website that sets out how fees are set and collected, and describes what students and sponsors need to do. This can be found on our website <https://www.rvc.ac.uk/Media/Default/1%20Fees%20and%20Funding/tuition-fee-policy.pdf>.

not The RVC adheres to the UK Government's legislation regarding fees for UK students which sets the maximum fee for these categories. Subject to the approval of legislation in parliament in future years, institutions including the RVC may be permitted to raise fees for UK students at an inflationary rate linked to the Retail Price Index (RPI). We therefore, advise all UK students considering study at the RVC to plan their finances based on such year-on-year inflationary increases.

The fees for EU and international students are also listed at the above links. These are substantially higher than UK fees as the RVC receives no government subsidy or support for such students and therefore has to charge "full cost fees".

In deciding the annual level of increase for EU and international students, the College will consider a range of factors, including rises in the costs of delivery of its teaching programmes and changes in government funding. The increase will not exceed 5% each year or

The fees do not cover accommodation costs, which for 2023/24 ranged from £203 to £288 per week over a 40, 48 or 50t2
